-

Please note there is now a requirement for all American Heart Association CPR class participants to have a valid email ready at the time of the class. This is change from June 2017 and is non-negotiable! Each participant will receive an email from AHA and will have 7 days to claim their card electronically. This is from American Heart Association, not individual instructors. Thank you for your understanding and cooperation.

- ***AHA has increased the price of all Heartsaver Cards to \$20.00. Books are \$3.00***
- ***This cost is included in the class fee.***

Prices are subject to change with or without notice.
